INTRODUCTION

DAF offers you industry-leading trucks and services for highest transport efficiency. But DAF does a lot more to help you boost your truck's performance and looks. You can tailor your truck so it is exactly as you want it.

EXTRAS FOR EVERY DAF

Here you will find all the extras that can make a big difference in your transport business: the DAF accessory range. A dedicated range that helps drivers and trucks performing even better in your everyday business.

The DAF accessory range has everything you need to drive your business:

- **Styling Exterior:** Great impressions to strengthen your company image and boost driver pride
- **Aerodynamics:** Cost cutters to reduce operating costs
- **Driver Comfort:** Easy drive for even greater driver comfort
- **Safety & Security:** Safe drive to protect the driver and his/her DAF as well as other road users and the environment
- **Hydraulics:** Full range of hydraulic applications to make a DAF suitable for your business
- **Merchandise:** High gear to give you that special DAF feeling

For additional information, contact your local DAF dealer.

DISCLAIMER

- This catalogue replaces all previous issues with immediate effect.
- Every effort has been made to ensure that the information in this catalogue is correct at the time of printing. DAF Trucks N.V. is however not liable for (the consequences of) any errors which may occur.
- Mention of the product in this catalogue does not necessarily imply that the products are available for sale and DAF Trucks N.V. reserves the right at all time to discontinue the sale of any product.
- In the interest of continuing product development, DAF Trucks reserves the right to change specifications or equipment at any time without notice.
